* Please note that the reporting of monthly investigations for the purpose of State Performance Measures is based on the approved definitions through the Legislative Budget Board (LBB). TCEQ's Annual Enforcement Report provides end of fiscal year totals of investigations and other similar evaluations that are part of an expanded universe beyond LBB definitions. Following are the numbers of "Total Investigations" reported in the TCEQ Annual Enforcement Report: FY2016: 102,315; FY2017: 104,146.

** Investigations are reported when the associated reports have been completed and approved. Staff in the coastal regions affected by Hurricane Harvey have been engaged in an increased number of response activities in the field, resulting in a decrease in the number of completed and approved investigation reports during the month of September.
