List of OSSF Licensing Court Judgements (2021-2026)

As required by 30 Texas Administrative Code, Section 285.71(b), OSSF permitting authorities (Authorized Agents) send TCEQ court judgements they have attained against OSSF licensees or individuals performing services without a license. The following list contains these judgements made in the last five years.

- There may be judgements that the local government never sent to TCEQ that are not on the list.
- The list does not include duplicates. Each row represents a separate court judgement.
- The list will be updated quarterly.
